Auto Parts Professionals

## HEAVY-DUTY CONVERTIBLE HAND TRUCKS

- Versatile, convertible hand trucks can be used in both horizontal and vertical positions. The 1" diameter flow back handle is removable and can be used in both horizontal and vertical set-ups.
- Durable 1 5/16" diameter tubular steel frame, manufactured with uncrimped welds.
- Powder coat finish prevents rust for longer life.
- Guards welded to the front of the frame and at the wheels protect loads from catching the wheels and causing damage.
